1986 Conclave

As everyone knows by now the 1986 Section SE-B Conclave scheduled for April 1986 was cancelled due to extremely dry conditions at Camp Powhatan.

At a special Council of Chiefs meeting held in Waynesboro the Conclave has been rescheduled for October 10-12, 1986.

Those members who paid to attend in April will be contacted to determine if they wish to attend in October - if not their delegate fees will be refunded. The new delegate list will be started at the Fall Fellowship in August -

Please register early for the Fall Fellowship.
