

ORDER OF THE ARROW

21 August 1992

Chanco Courier

The Conclave

Last May's Conclave was a huge success to our lodge. It provided entertainment to the arrow man with a number of movies and shows the opening. It provided a number of challenges to the arrow men with the volleyball and softball games along with the ceremonial and dance competitions. It also offered information with the patch displays and classes. The conclave also brought people together from all over the section. Chanco's conclave marked the sections 10th anniversary of SE-8 and this conclave was the first to be held at a High School in this section. Lakeland high School turned out to be the perfect spot to hold a conclave. Lakeland provided spaces for classes, trading post, patch displays, ceremonial and dance companions area, and an auditorium for movies and shows. The '92 hosted by Chanco Lodge was the largest in the section with over 500 people attending.

Lordy, Lordy Chanco's Forty!!

That's right Chanco lodge is 40 years old and to celebrate we will be holding a one day celebration by doing cheerful service at the site. The place and date have not been set for sure yet They should be announced before the end of the fellowship. To get your patch you will have to attend

and work. Please come and show your support. We hope to see a large crowd.

Dear 1st year Arrow men, All Arrow men that went through their ordeal at the last fall fellowship and earlier are asked to consider going up for brotherhood. You can pay for it now and get help from a brotherhood member (you can upgrade from member to brotherhood level for a bit more). If you can not do it this time we ask that you do it at the next Spring fellowship.
