Conclave Report

On April 27-29, 2007, Blue Heron lodge hosted the Section SR-7A Conclave at Pipsico Scout Reservation, Camp Lions. The event was quite substantial with around eight hundred and seventy members in camp. The theme for the weekend was "Spirit of the Past—Vision of the Future." Saturday morning activities started with training. There, Arrowmen could choose from a plethora of sessions that covered everything from OA at summer camp to conflict management, and from Native American dance training to building the OA Troop Rep. program.

The Blue Heron Delegation participated in most of the afternoon sports activities and competitions. The sports included volleyball, ultimate, and tug-a-war, while the competitions were composed of a stretcher relay, a fire building contest, and a trivia quiz. Mike Clasing placed second for the Vigil ceremony.

The Saturday evening show was composed of pictures and video clips from the day that were all meshed together with music. Then, the show moved to actors emphasizing the four hundredth anniversary of Jamestown. They successfully united the important events of the four centuries before the Jamestown settlement with notable times in more recent history. Unfortunately, rain caused the rest of the show to be canceled, but people were able to stay and enjoy the feast in which each lodge contributed an item.

The food throughout the weekend was exquisite. For Saturday dinner, the cook crew prepared steak, potatoes, and shrimp salad for everyone. The breakfasts were just as well planned and delivered. The Tasty Critters Cook Crew fixed barbeque, cole slaw, and hush puppies for most of the participants' lunch on Saturday.

Thank you to the Blue Heron Arrowmen who made this a successful weekend. The overall event was positive with enthusiasm building to next year's Conclave, which will be hosted by Shenandoah lodge. Our lodge will not have the privilege of hosting a Conclave again until 2013.

The Chief Speaks

Brothers,

This year has been a good year so far. We hosted Conclave and put together an excellent event, from Check-in Friday night to Check-Out Sunday morning, the event ran smoothly with minimal confusion. The activities of the Lodge will die down over the summer since most of you will be at different camps and on vacation, but I urge you to continue to promote camping in your units, and to provide service to your community. If you are looking for an unique opportunity this summer I highly suggest you look for the blurb in this Drumbeat about a High Adventure Pilot program being offered at Pipsico this summer. Stay safe this summer my Brothers and I look forward to seeing you all at the August Ordeal where we will not only induct our more Ordeal members, have an opportunity for Brotherhood Conversions, induct our Vigils for this year, but also have an opportunity for Fellowship and Service.

The Adviser's Minute

With summer approaching, our Lodge year is half over and half our major events are behind us. Freez-o-ree, the March ordeal, and the Conclave were big successes. Now, we can plan ahead to the August Ordeal, the Fall Fellowship, and the Holiday Banquet.

Most of our units have had elections, but we need to be sure that none have been overlooked. There will be a couple of elections at summer camp. Talk to brothers in your troops to be sure everyone has registered for 2007. Our push for the late dues-payers will stop with summer camp and the new members from the August Ordeal will give us our membership numbers for quality lodge. I look forward to a large participation at the Fall Fellowship. All the effort and energy spent on the Conclave can be focused on us, and there will be a lot more fun and not nearly as much work.

Check your calendar and computer and be sure to schedule your summer camp participation, the August Ordeal on Aug. 17-19, and the Fall Fellowship on Oct. 26-28. The Holiday Banquet will be on Dec. 8.

Powhatan Chapter has established the following themes for its upcoming meetings: June, backpacking; August, water games; September, athletics; October, nominations for chapter offices; November, chapter elections; and December, chapter banquet. Cape Henry

April was a GREAT month for the Order of the Arrow and Cape Henry OA Chapter. If you did not attend the Conclave then you missed a lot of FUN - Friday started out a little wet but Saturday was on-going activities. We could have used a couple more OA brothers for the Tug-of-war, volleyball and Ultimate - but, we still placed 3rd in volleyball and ultimate.

Sean McGill may be small in size but he is big in heart when it comes to sports competition. I want to THANK all of our new Chapter OA members for coming out to join us at the Conclave. If you have not had your Troop OA elections - make sure you contact me or Tyler Austria. Don't forget that the next OA Ordeal is 17-19 August 2007. I think that our Chapter communications is beginning to get better - KEEP SPREADING THE WORD. Our monthly Chapter meetings have improved but I would like to see more arrowmen at our meetings. I want to THANK Mr. Detterman (Our guest speaker for April) and Mr. Kilmer (our guest speaker for May) for giving your time to join us for our monthly Chapter meeting. Our guest speaker for our September Chapter meeting is Mr. Bob Wilder, head coach for football at ODU - PLUS, we will be serving grilled hot dogs at our June meeting. Don't miss a chapter meeting - we are going to keep them interesting. I invite you to attend our Cape Henry Chapter meetings - meetings are held at 7:30 p.m. on the first Tuesday of each month at the Church of the Holy Family at the intersection of First Colonial Road and Great Neck Rd.

THANKS to Arrowmen Sam Keltner, Bradley Dyson and Sean Warren for performing the Arrow of Light ceremony for Pack 391. If you are interested in helping with Chapter AOL ceremonies and camping promotions please contact Sean Warren.

Our 2007 Chapter Officers are: Tyler Austria, VC for Admin; "Welcome" Sean Warren, VC for Program; Matt Remie, VC for Inductions; Bradley Dyson, Memorabilia; and Sean McGill, Secretary.

The Jamestown Experience

The Jamestown Experience is an adventure program that takes the participants into an interactive, open ended scenario approximating the circumstances of the settlers of Jamestown in the first few months. Participants will be placed into a scenario where their decisions will directly change the outcome of the events around them. Everything from making money for the Virginia Company, to finding sources of food and water, to relations with the native population will be left in the hands of the participants.

This is a one week pilot program, therefore the input of the participants will greatly influence the development of the program. It is also very affordable, at the cost of only \$125 for youth and \$65 for any accompanying adults, in an attempt to gain interest in it on relatively short notice. That is about half the cost of an normal week at summer camp and about a third the cost of any High Adventure Program. This Program will occur from Sunday July 29 to Friday August 3 2007. Deadline For applications is Monday July 23 2007. So act fast.
