

Letter from Council President

Friends of Scouting,

For over a century, the Boy Scouts of America has been in the business of molding young people into strong, moral citizens and leaders. The Scout Oath begins with "On my honor..." The concept of personal integrity is certainly not new, but is something that our young people do not hear often enough as they are developing their own decision making skills.

Your support gives us the resources we need to provide character-building programs for young people in our community at a time when they are confronted with so many negative influences.

Scouting in our community needs your help again this year. Traditional sources of funding for scouting continue to decrease as the demand for scouting programs continues to increase. As a volunteer I see the value of the Scouting program and the positive impacts the programing has on local youth.

Please know how much we appreciate your support of the Colonial Virginia Council - Boy Scouts of America.
