PIANKATANK CHAPTER FORMED

MATTAPONI SPLIT TO FORM CHAPTER

In an effort to better serve the lodge members in the Colonial District the Mattaponi Chapter has been split to form two chapters.

The Mattaponi Chapter with Jeff Godby as Chapter Chief will serve the City of Poquoson and York County.

The new chapter, Piankatank, will be served by Robert Patterson as Chapter Chief, and will have members in the Williamsburg and James City County area.

65 ARROWMEN TO ATTEND CONCLAVE

The 1988 Section Conclave will convene on April 22-24 at Camp Pipsico in Surry County.

This year's meeting of fellowship and training will be hosted by Blue Heron Lodge (Tidewater Council) at their new camp.

In addition to training the conclave will feature contest among the lodges in Dance Team, Ceremonial Team and newsletter competition.

Sixty five Arrowmen from the Kecoughtan Lodge will attend the conclave.

FORT COLLINS TO HOST NOAC MEET

Colorado State University will host the 1988 National Order of the Arrow Conference at Fort Collins, Colorado, on August 14-18.

National Conferences are designed to do at least three things for an arrowman; Broaden our Brothers' knowledge of Order of the Arrow principles; Provide positive, wholesome Scouting fellowship; and Elevate each Brother's dedication to Cheerful Service.

The Kecoughtan Lodge delegation chairman is Chief Mike Washburn and his adviser is Bailey Tudder.

Consider carefully, and respond now if you are interested in expanding your leadership skills and personal growth, and you want to serve your lodge.

Basic Fee is \$195.00 plus transportation fee. More information will be coming out soon. If you are interested, complete the form found on the top of page 8.

ARE YOU GIVING FULL SUPPORT TO YOUR LODGE ?

In a great and honored Order, into which can be admitted only those who unselfishly desire to serve others, there must be lofty purpose.

You were selected for membership of this lodge, in the order because your fellow Scouts saw your sincerity and acceptance of the high ideals of the Scout Oath and Law. Do likewise with this mighty purpose.

You were inducted into our loyal band "not so much for what you have done, but for what you are expected to do." For in taking the Obligation of the Order, you promised, on your honor, "to be unselfish in service and devotion to the welfare of others."

Now the time has come to judge has come. You have entered our Brotherhood. The distinctive pocket flap and sash are now yours. Now you are to face another test; one admonished and graded solely by yourself. Will you embrace the traditions and obligations of our Order?

Have you paid your dues? Have you attended an Ordeal or work day? Are you active?

From the Chiefs Tee Pee

The Order of the Arrow is an honor campers Brotherhood chartered by the Boy Scouts of America. It recognizes those campers who best exemplify the Scout Oath and Law in their daily lives and, by such recognition, cause other campers to conduct themselves in such a manner as to warrant similar recognition, to promote camping, and to crystallize the habit of helpfulness as a life purpose.

As noted the order is a Brotherhood to promote camping, and as your Chief I would like for you to consider favorably the proposed by-law change to provide camperships to Scouts who otherwise would not be able to take part in a camping program.

The February Ordeal went great with 162 arrowmen in attendance, a considerable amount of work was accomplished and the fellowship was outstanding.

With a lodge like Kecoughtan it is a pleasure to serve as your Chief.

Yours in Brotherhood

Mike

Honor Lodge.....How sweet it is! So many participated in doing so much for our lodge. I personally would like to thank each arrowman for his contribution this past year; yes all contributions added up to Honor Lodge....Thanks.

Can you believe 162 registered for a Winter Ordeal? Wow...32 new arrowmen.....Over \$ 800.00 in a patch auction for camperships....man have we started the year off right! Sixty-five arrowmen registered for Conclave, plus a waiting list! Our largest contingent ever! We must be doing something right.

Why all this outstanding service...PARTICIPATION! Congratulations to our new chapter, Piankatank, let us all help our brothers to become the best chapter on our lodge.

WHERE TO GO CAMPING BOOK

The "Where to go camping" booklet is an ongoing service project for the Kecoughtan Lodge, that provides camping information to troops and post throughout the area.

Units with this information have a tool which enables them to do more year-round camping on a variety of sites and conditions.

In order to keep this book up to date and a valuable tool for our units you are requested to provide the committee with information during the year to keep the book current.

O/A ELECTIONS TO BE CONDUCTED BY PROPER METHODS

Each Scout troop in the Peninsula Council is entitled to hold an election to enable qualified Scouts and Scouters to become candidates for membership in the Kecoughtan Lodge. Each Scoutmaster is advised that the only election procedures which are permissible are those described in the current Order of the Arrow Handbook.

The elections must be held by the appropriate Chapter Unit Election Team. If a troop wishes to hold an election, the Scoutmaster is requested to contact the Chapter Chief or Chapter Adviser in the chapter which is located in his troops' district and arrange for the Unit Election Team to hold the election. If this is not done and an election is held by any other means, the election will be declared **VOID** and will not be accepted by the Kecoughtan Lodge. This will be an embarrassment to the troop and a disappointment to the Scouts who think they were elected. Contact the following:

DANCERS NEEDED

The dance team is doing great except for one thing which is we need more youth members. The team meets at Fort Eustis Scout Hut every Sunday afternoon from 3:00 to 4:30 p.m. If you are interested in dancing, drumming, or singing the Native American, call Joey Meitz at 874-0572.

VOTE ON BY LAW CHANGE JUNE 26

A proposed change to Section VIII (The E. Bailey Tudder Campership Fund) has been made and will be voted on at the Ordeal in June.

The present Section VIII, reads as follows:

A. Once each year, at the Winter Ordeal, the lodge shall conduct a patch auction for the registered participants of the Ordeal. The entire proceeds are to be placed in a special fund for the purpose of camp maintenance.

B. At their discretion, the Lodge Service Committee Chairman, with the concurrence of the Service Committee Adviser and the Lodge Adviser, may authorize expenditures from the fund, provided the funds are utilized strictly for the maintenance of presently built or installed items at camp and new capital projects are not initiated.

The new Section VIII after change will read as follows:

A. Once each year, at the Winter Ordeal, the lodge shall conduct a patch auction for the registered participants of the Ordeal. The entire proceeds are to be placed in a special fund, the purpose of which is to provide financial aid for Scouts who require it in order to attend Camp Chickahominy Summer Camp.

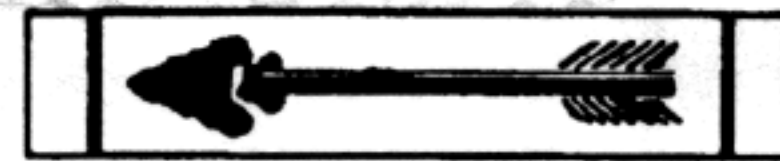

B. The fund may receive donations from other sources and use them for the purpose stated in paragraph A. above.

C. The fund, in its entirety, will be administered jointly by the Lodge Chief, The Chairman of the Lodge Camping Promotion Committee, and the Peninsula Council Boy Scout Committee.

D. The fund, upon passage of this amendment, assume half the assets and liabilities of "The E. Bailey Tudder Camp Maintenance Fund" which will thereby no longer exist. Total money obtained at the 1988 Winter Ordeal will be put into the Campership Fund.

The reason for the change is that when the E. Bailey Tudder Fund was established it was for camperships. When money for maintenance was not available the fund was changed to provide money to maintain camp facilities. Now with a active property committee and money available for maintenance, the time has come to revert to the original reason for the fund...Camperships.

PAMUNKEY

Our chapter has been fairly active since the christmas banquet. Chapter meetings are held monthly on the fourth Sunday of each month. The April meeting will be held during the Hampton District camporee at Camp Chickahominy.

We now have two election teams, north and south, for any election to be valid it must be conducted by the election team. Each troop is allowed one election a year, so contact one of the teams now to make reservations. If your troop is planning on having your elections at camp you should notify the camp elections team.

Our chapter phone committee is about complete and we now have a chairman and adviser. Copies of our phone tree should be available soon. Our phone tree works on the principle that each troop has a Scout who receives the message and then passes it along to everyone in the troop.

Many Scouters are needed to make a district work and staff the various activities such as Cub Scout Day Camp. Because many of these Scouters must attend planning meetings, they must find babysitters for their young children. This is our chance to show our Scouters that we care. A new committee is being formed to provide child care for our Scouters while they are working to make our district a better place.

We will probably have a chapter fellowship on June 4th and 5th at Camp Chickahominy. A committee needs to be formed for this event.

If interested in working on a chapter committee, contact Chapter Chief Geoff Avery (850-4089). Remember what you said about "Irksome task and weighty responsibilities"

PIANKATANK

The piankatank Chapter has elected officers for the coming year. They are: Robert Patterson, Chapter Chief; Robbie Kirkpatrick, Vice Chief; and Kyle Kitchen, Secretary-Treasurer. The Chapter Advisor is Forrest C. Miller. We look forward to having great participation within the new chapter. For those of you who do not know about the new chapter it is a branch off of the Mattaponi Chapter.

MATTAPONI

With the split of the Mattaponi Chapter some of the arrowmen of the chapter are now members of the new Piankatank Chapter. The brothers in Yorktown, Poquoson, Tabb, Langley, Seaford, Grafton, and Newport News will remain in the Mattaponi Chapter.

I am disappointed that Mattaponi Chapter has no permanent Adviser. If anyone over 21 years of age is interested call Chapter Chief Jeff Godby (898-4445)

We have a good committee, but we still need more volunteers (Unit election, communications and camp promotion). If any brother is interested in being a member of a chapter committee, please call the Chapter Chief.

If you have any questions about the chapter operations also feel free to call the Chapter Chief after school or on weekends.

SMOKE SIGNALS FROM THE CHAPTERS

KISKIACK

Brothers:

For those of you who did not know, our Chapter Chief Eugene Latsch has had to take a leave of absence from the chapter for U. S. Army Reserve Basic Training.

Because of this absence, Vice Chief Bryan Hunt will take over as acting chapter chief.

A chapter meeting was held on March 1st at Temple Baptist Church, I am sorry more of you did not attend, and I apologize to those of you who were not notified.

For those of you not serving on a lodge or chapter committee we have a job for you. If you are interested in helping on a committee call Chapter Chief Bryan Hunt (877-8242).

We recently decided to give copies of our chapter history to all members attending a chapter meeting beginning in May, so if you would like to have a copy of the history come to a meeting.

Other than that things in the Kiskiack Chapter are running well and we hope to see you at the next meeting and ordeal.

WENDAMEN

We assume everything is going well in the Gloucester-Mathews area since we did not receive any information from the chapter officers.

KECOUGHTAN ARROWMEN ATTEND WORLD JAMBOREE

This first hand account
of the 1988
World Jamboree was written
by Vice Chief, David Bains

On the nineteenth of December, four boys from the Peninsula Council left from Richmond's Byrd Airport for Melbourne, Victoria in Australia. Three thousand other Scouts and Scouters from all over the United States also left about the same time headed for Melbourne or other cities in Australia and New Zealand to begin a week and a half of touring prior to the week and a half World Scout Jamboree.

David Bains, Bryan Hunt and Daniel Reisbick were assigned to Troop 521 made up of Scouts from Virginia and North Carolina. It was one of the eleven troops from the Southeast Region. We spent three nights in Melbourne staying at the University of Melbourne, where we began to enjoy the Australian summer. During the day we went on trips to various sites in the Victorian countryside around Melbourne.

On Christmas Eve we flew up to Sydney where we met our host families for Christmas. All of us enjoyed a typical Australian Christmas, which included going to the beach or at least swimming on Christmas Day. David and Daniel stayed with the family of Byron Bramah, formerly a member of Troop 29 in Hampton and Kecoughtan Lodge. Byron and his family lived in Hampton while his father, a colonel in the Australian Army was serving as liaison to TRADOC at Fort Monroe.

The day after Christmas we again boarded a bus and rode off to Australia's most unique national capital, Canberra. It is an entirely planned city in the middle of the Australian Bush. After an afternoon of sightseeing including the War Memorial and Museum, we went to the U. S. Embassy, built in the Williamsburg style, for a tour and an address by the ambassador.

The next morning it was back to Sydney for an afternoon flight to Auckland, New Zealand. We spent two days there visiting caves, a Maroi Marae, and the thermal valley of Rotorua. The night of December 29, we had home hospitality stays in a dairy farm area. Our stay there was brief for we had a morning flight back to Sydney.

After an afternoon of touring Sydney, the entire Boy Scouts of America contingent met for the only time for an evening show in a Sydney pavilion.

The next day we arrived at Cataract Scout Park near Wollongong, New South Wales. Fifteen Thousand Scouts, both young men and women, from 90 nations attended the XVI World Jamboree Mondial. At the Jamboree we engaged in many activities from water slides to obstacle courses, and orienteering courses, all with a distinctive Australian flair.

There was of course much trading of patches, neckerchiefs, and even whole uniforms. The American contingent was by far more interested in trading and more prepared to do it than any other contingent. The main sports played at the Jamboree were volleyball, table tennis and cricket. The emphasis on all activities was on mixing internationally. No two troops of the same nation camped in sites adjoining each other, and for most activities international patrols were formed of six Scouts, with only two from the same country.

The Jamboree theme of "Bring the World Together" was certainly accomplished and the memories of feeling of fellowship with the Scouts of many different lands shall remain stronger with me than memories of the Australian sights and culture and long after my suntan has faded.
