2005 Conclave a Huge Success

Host Lodge Nawakwa Delivers Top-Notch Program to SR-7A

April 29th through May 1st, Nawakwa Lodge #3 and the Heart of Virginia Council of the Boy Scouts of America were hosts of the 2005 Section SR-7A Conclave. Conclave Chairman Joe Orr and Adviser Roy Page planned for over a year for the weekend, and it was a great time for all.

The highlights of Saturday morning included training sessions on a variety of subjects, various activities, totem pole carving, visits to the Nawakwa Scouting Museum, and overspending at the trading post. Arrowmen from around Virginia learned about subjects ranging from Chapter/Lodge Relations to Publications (of course, the best session...I taught it!) to National High Adventure Programs.

Section Chief Wes Parker thrilled the crowd with a detailed, hands on presentation on the National High Adventure Bases of Philmont, Northern Tier, and Florida Sea Base and how the Order of the Arrow plays an integral role in the operation and maintenance of these bases. Assisted by veterans of all three bases, Wes introduced Arrowmen to the programs, opportunities, and typical gear at the bases.

Wahunsenakah Lodge 333 treated the section to a series of very interesting Native American Indian Training sessions and dances.

Saturday closed out with section elections (see page 4 for results) and an amazing closing show. A rocking concert

from Goochland based band *Zerohour* opened the show with ear splitting music. *Zerohour* was followed by an impressive rendition by John Hankins of his early summer camp experiences. After John finished his story the show staff presented a slideshow presentation of the weekend in review. The keynote speaker was Seth Mollitt, the National Vice Chief. We were very lucky to have Seth at Conclave, for he is busy with college and his responsibilities as Vice Chief.

As the show got into full swing, the ceremonial team presented and wonderful representation of the ordeal process and a retelling of the purposes of the Order. The rendition was enhanced by great background music and amazing pyrotechnics.

The show then went on to the awards section in which the various Section Awards are given out. After the awards, the Ceremonial Team preformed a somber closing, and the show was over.

Accolades to everyone who helped with Conclave, especially Region Chief Bradley Long, Section Chief Wes Parker, Conclave Chairman Joe Orr, National Vice Chief Seth Mollitt, all of the Conclave Vice Chiefs, and all of the trainers and staff. Conclave would not have been possible without their help. 🦋

Chief's Bonnet

My Fellow Arrowmen,

As you all know that in the Spring Ordeal your new Lodge Officers were elected. At the Lodge Leadership Development Course (LLDC), those present came up with this year's goals for the Lodge. The new leadership for the Lodge for the year 2005-2006 was given quality training in order to provide the members of your lodge the best experience possible.

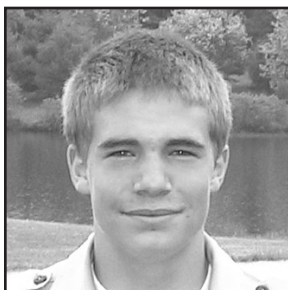

With September fast approaching everyone needs to encourage all Ordeal Members who have been in the Order for at least 10 months to seal their membership and attain Brotherhood status.

As the Lodge has goals, all of the Chapters and Committees should have made goals as well. By the September Ordeal, I would like every chapter and committee to turn-in to me a copy of their goals.

I personally believe that in order to fully enjoy the OA experience you need to be an ACTIVE member. I encourage each of you to look at the handbook insert and find a committee in which you are interested and give the chairman a call or send him an email.

For all those who went to the National Jamboree I hope that it was a memorable experience. Remember the Order is a "Brotherhood of Cheerful Service."

Yours in Brotherhood,
Joe Orr

Adviser's Minute

Brethren,

Congratulations to Matt, Harrison, Everett, and Will for their leadership in service to Nawakwa this past year. You did an outstanding job leading and representing Nawakwa at all levels. We are a stronger, more active lodge thanks to your service.

A special Nawakwa salute to Joe, Will, Vincent, and Jimmie on your election to lead us into the New Year of cheerful service. You and the Lodge Leadership Development Seminar established challenging but obtainable goals for the year ahead. Increased participation by each Arrowman will ensure a successful positive year.

This is the first year of a three-year program where each of us can earn the National Leadership in Service Award. All you have to do is perform eight hours of lodge, chapter,

or council service for camp and six hours of community service planned by the chapter or lodge. Each of us should set earning this award as a personal goal. Cheerful service has always been at the heart of our Order. The Leadership in Service Award program reminds all of us of our duty to provide service to our

camp and to our community. There is more information about this program in this issue of the Tom-Tom.

The Summer Ordeal [Sep 9-11] is the time for us to make a major push for Brotherhood Candidates. We need 75 to ensure qualification for the Nation Quality Lodge status this year. If you have been an Ordeal member for 10 months or more, you are eligible to seal your membership in the Order by becoming a Brotherhood member. Remember it is NOT another ordeal.

In W.W.W.,
Mack Ruffin

Chapter Reports

Monacan Chapter 60 Report

This year we will continue to meet during the night of the district roundtable. That is the third Tuesday of the month at 7:30 PM at the Wesley Foundation in Farmville. This is open to any member in the chapter and is the place for OA Troop Reps to get information and to ask for assistance.

Klondike Derby 2006: Calling all youth (and adult) members. We are looking to form a Planning Committee for the upcoming Klondike Derby. We will be starting early with the planning for the upcoming derby in 2006 at the September chapter meeting because the event will be in late January not late February this year.

Troop Reps. – Here is the latest: Josh Morris, our past Chapter Chief, is the new Chapter OA Troop Rep. Chairman. You should try to attend the chapter meetings and find out the latest information, and if your unit needs assistance, this is the place to ask. If your troop has recently selected a new OA Troop Rep, please contact Josh so he can keep his records up to date.

"Ponder that which is our purpose."

Lodge Cartoonist Randy Van Ness left Nawakwa Lodge this summer to return to his boyhood home in Wisconsin. But don't worry, Randy has promised to keep us laughing with new "Sons of Uncas" comic strips in future issues of *The Tom-Tom*. Unfortunately, the move has been more work than Randy had anticipated, so there is no new comic in this issue. Don't despair...Randy has promised a new strip for the Fall issue of *The Tom-Tom*.
