CHANCO LODGE

MAY & JULY, 1970

1970 POW-WOW

On April 24, 25, and 26, Chanco Lodge held one of the biggest events in her young lifetime. We were the host of the 1970 Pow-Wow. The lodge did a fantastic job and by some of the letters received after the Pow-Wow proves that the Area really enjoyed it and that it was a big success.

In preparing for the Pow-Wow, we enlarged the arena, the parking lot, cut out a new camp-site and performed basic camp clean up. As you can see, there was much time and a great deal of hard work put into the Pow-Wow, but it was all worthwhile.

On Friday night, there was registration and a cracker barrel. The service crew was going around making sure everyone had enough tentage, did a few little special details, and helped get the gear in from the parking lot on the camp truck.

The Saturday Displays and Discussion groups were very attractive and interesting. the Dance Competition was very good and the lighting was just tremendous. It added a lot to the dancing. Chanco was well represented at both of these competitions.

If you have noticed, nothing has been said about the weather. So far, it had been perfect. Then, Sunday came and things changed. It rained and was miserable for the service crew to break camp while the business meeting was going on. They did a fine job of breaking camp, despite the rain.

Now that this is over, let us look at ourselves and see what we can do if we pitch together and work as a lodge; not as individuals. There was a tremendous LODGE effort put forth.

Bruce Waters is the new Area III-C Chief and Richard Bryant is the new Vice-Chief. The 1972 Pow-Wow will be held at Kacoughtan's Camp and we'll see how much we helped the future Pow-Wows next year at PepsiCo where Blue Heron will be the host.

STOP AND LOOK

Do you have your 1970 dues card? If not, have you paid your dues? If so, and still have no card to show it, see Neil Burgess at the Fall Fellowship or write him. His address is: Neil Burgess, Rt. 1, Box 308, Courtland, Va. 23827

THE CHIEF SPEAKS

My term as chief is rapidly coming to an end. It has been a very rewarding experience and I thank you all for making it so. We did not accomplish everything that we set out to do and we had our ups and downs, but all in all I feel we had a very successful year.

The big event was the 1970 POW-WOW. I feel we did a fine job in hosting it. We also did much for the camp in preparing for this big event. We enlarged the parking lot, the arena, cut out a new campsite and built the platforms for it, did elementary camp clean up, cleaned up pine tops from the program areas, painted cots, and resanded the water front. I would like to thank Bob Ashley for the fine job in the kitchen and Mr. Wagenbach for the fine job with the lighting arrangements at the arena. These two brothers did a fine job in managing their jobs to be done. I want to thank the whole service crew for the fine job that they did. I would just like to give you a quote from the "III-C Chatter" after the POW-WOW, "The small Old Dominion Area Council Lodge showed the rest of the Area how an event of this type should be handled and may well have set the standard for future POW-WOWS." This is something all of us should feel proud of that the Area felt this way toward the 1970 POW-WOW.

We still have not come any closer to becoming a National Standard Lodge. We have maintained our stationary front on the four completed requirements, but have not met the other four. I would like to see us meet them very soon. It would help the scouting program in the ODAC as well as give the lodge some recognition.

As is stated in a special letter, there is an appeal not to make the upcoming elections a popularity contest. I would just like to ask you to study the names of the candidates and their qualifications and elect the most qualified, not the most popular.

Let us support your officers for the next year as YOU are the ones that has elected them. If you are not going to support your chief, then the whole lodge will fall, even though many of you don't realize this. SEE YOU AT THE FELLOWSHIP.

Yours in Cheerful service,

Buddy Burgess, Netami Sakima

Dear Brothers:

Coming up in August is one of the most important events of the year, Chanco Lodge's Fall Fellowship. We need every member of the lodge to be there if it is at all possible. You should be there to welcome our new brothers into the lodge after the ordeal and you should be there ready to render a little cheerful service. As you know, on Saturday night at this fellowship we hold an important business meeting at which time we select our officers for the coming year. Be thinking of people you want to represent you as officers so that you may nominate them at the business meeting. These names will be added to the nominations made by the nominating committee. If there is something going on in the lodge you don't like, you must work to change it, NOW is a good a time as ever to begin working. We need to increase attendance as much as possible, but remember the troop comes FIRST! Your attendance will encourage others to come and support their lodge. Please make every effort to come to the fellowship and begin to learn about your lodge. The things done at this business meeting affect you. Come and begin to take part in activities of the lodge, it is the only way you will ever become actively involved. Don't be afraid to accept and seek out jobs, but make sure and be confident you can handle the ones you take. The lodge needs officers, and you may be the one that fills one of the necessary posts. But while you are working up to an officers job be wise in the choice of present officers. The upcoming election must not become a popularity contest, you are the ones that can prevent this. Be ready to participate and be present to participate. Come to the Fall Fellowship!

Yours in Brotherhood,

Neil Burgess, Treasurer
Chanco Lodge

MAIL NOTICE

If you know of any brother not receiving his O.A. mail, send his name to Bucky Hurley, 812 Gittings Street, Suffolk, Va. 23434

A Special Letter of Thanks

Dear Fellow Arrower:

I would like to thank the many boys and men who worked so hard for the success of the 1970 POW-WOW. I think all the service crew members should be proud of the fine job that they did.

I worked in the dining hall and saw first-hand what cheerful service really is. The boys and men who worked in these positions not once frowned upon their work. This really showed the scouting spirit.

Again, I would like to thank each and every person who had a part in the 1970 POW-WOW.

Yours in Cheerful Service,

Bob Ashley, Kitchen Coordinator

ANNUAL WORK DAY HELD

On Saturday, June 6, the annual work day was held at Siouan Scout Reservation. There were only nine dedicated arrowmen to show up, but these nine did a fantastic amount of work in the few hours that they worked. A few of the projects undertaken were:

 painted the rowboats
 spread sand over the arena
 carried canoes to waterfront
 placed sand in the beginner's
 and non-swimmer's area at the
 waterfront

SPRING FELLOWSHIP

The Spring Fellowship was held on March 20, 21, and 22 at Siouan Scout Reservation. We had 10 new brothers to come in.

The members worked on the enlargement of the arena and the parking lot. Clay was taken from the south end of the parking lot and moved down to enlarge the arena. The arena is much bigger now and so is the parking lot. The Ordeal candidates built the platforms

for the new campsite and with the help of some of the members cleaned out the new campsite.

The minutes of the business meeting of the Spring Fellowship follows later in the paper. The Fellowship ended on Sunday afternoon with a great deal of work done.

After the closing, the POW-WOW service crew remained for a shakedown and for an explanation of each and everyone's job.

NEW EAGLES

Dennis Burgess of Troop 211 and Marc Morris of Troop 28 have recently been awarded their Eagle Badge. Our congratulations are extended to them.

CENTRAL DISTRICT NEWS

On May 2, and 3, 1970, Central District held the Spring Camporee at Camp See-Gar at Carrsville. Five troops were in attendance. After Saturday lunch, the troops assembled in a field back of the camp and had a hunt for people in an airplane crash and applied first aid for a contest. On Sunday, the ribbons were given out with Troop 127 getting first place for the first-aid and Troop 211 for the overall camporee. It closed at 11:00 A. M. Sunday morning.

WORK WEEKENDS

On April 11 and April 18, Chanco Lodge held two work days to set up for the POW-WOW. The turnout was not very good, but there was a great deal of work done just the same. We finished expanding the arena as we put a final layer of gravel on it. We also cleaned up the camp ground, put up the tents, cots, and mattresses, platforms were placed in position in the new campsite, and the picnic tables were placed in position for the discussion and display groups.

A special thanks is extended to the few boys that gave so willingly of their time in cheerful service.

- 3.Q. What are the four parts of this Ordeal and their respective purposes?
A. A night of camping alone under the heavens, to prove my self-reliance; a day of arduous toil, to indicate my willingness to serve others; twenty-four hours of scant food, to demonstrate my power of self-denial; and a like period of silence to turn my thoughts inward.

A. I was led by Kitchkinet to the north end of the camp, where the significance of the Arrow was first revealed as I tested the bow.

- 7.Q. Who next barred your further progress?
A. Meteu, who inquired if I had been given the admonition.
- 8.Q. Had you been given the admonition?
A. I had not, but Kitchkinet, my guide had, and gave it for me.
- 9.Q. Before whom did you then at last arrive?
A. Before Allowat Sakima, the chief of the fire, who asked if I had been completely prepared to receive the Obligation.
- 10.Q. What was Kitchkinet's reply to this inquiry?
A. Only in the binding of them together.
- 11.Q. How did Kitchkinet call the attention of each of these officers to your presence?
A. By three taps of the hand upon the right shoulder.
- 12.Q. What did these three taps signify?
A. The three parts of the Scout Oath or Promise.
- 13.Q. How did each of the officers respond to Kitchkinet's taps?
A. By one tap, followed by two taps, on the right shoulder.
- 14.Q. What did these taps represent?
A. The twelve points of the Scout Law.
- 15.Q. How were you and your companions bound together?
A. By a rope, which, until we took the Obligation, represented our tie to the Brotherhood.
- 16.Q. How was your preparation for the Obligation completed?
A. Nutiket directed me to hold my right hand at the Scout sign and repeat the Obligation after Allowat Sakima.
- 17.Q. Repeat the Obligation.
A. I do hereby promise on my honor as a Scout, that I will always and faithfully observe and preserve the traditions of the Order of the Arrow. I will always regard the ties of Brotherhood in the Order of the Arrow as lasting, and will seek to preserve a cheerful spirit even in the midst of irksome

- 18.Q. In what did Meteu then instruct you?
A. In the legend upon which our Order is founded.
- 19.Q. Who are the central figures of that legend?
A. The aged Chieftain, Chingachgook, and his son, Uncas, who by their cheerful and self-sacrificing service, are said to have saved the Delaware lodges from annihilation.
