CHIEF SPEAKS

Brothers:

You were elected into the Order of the Arrow not only because of what you had done but also because of what you were expected to do in the future. What have you done for your lodge since August?

Where were you on October 10th, that is when we held our Training Session. I think the session was successful for those of us who attended. I would like to thank Jeff Joyner, Gary Bradshaw, Bob Ashley, Benny Burgess, and Harvey Darden for their work and time in the discussion groups. Also, I would like to thank Roy Johnson and BoBo Beacham for their help.

Start planning now to attend the Christmas Banquet on December 28. You may now start paying your 1971 dues to Harvey Darden.

At the Fall Fellowship I thanked you for your support and asked for it in the future, don't let me down.

See ya at the Banquet

Sincerely,

Marc Morris

DANCE & CEREMONIAL TEAM

BROTHERS:

I am sorry to report that our dance team has not done so well since practices started in September. We have new stores of equipment that have been hardly used because of lack of participation on your part. We have already had two requests to perform and we have not even chosen a dance for next year's Pow Wow, let alone practice it. We need more participation on the parts of all brothers, young and old alike. Also, we need new and older boys from Western and Eastern Districts to drive to our dance practices which are held every other week at 2:00 P. M. at Franklin Baptist Church. If there is anyone willing, please write me. My address is: Gary Bradshaw, 110 Lakeview Road, Franklin, Virginia, 23851.

Our next dance practice will be on November 22. Following that will be one on December 6. Such it will continue.

Come on guys and let's get active and show some pride in our team.

Yours in the Brotherhood,

Gary M. Bradshaw
Dance & Ceremonial Team
Coordinator

CENTRAL DISTRICT HOLDS SUCCESSFUL CAMPOREE

Central District held its annual fall camporee at Camp See Gar on October 16, 17, & 18, 1970. The main theme was fishing. There were nine troops there and on Saturday afternoon the Cub Packs from this area came and went fishing. There were prizes given. They were as follows:

Largest fish caught
Smallest fish caught
Most fish caught

Saturday night after supper a camp-fire was held. Each troop had a skit and song. Troop 28 of Franklin had the

best skit and was awarded a prize. The prize was a flashlight with a First-Aid kit.

Sunday church was held and following church was "Final Retreat". Afterwards extra patches were sold and then everyone left.

CHANGO TRAINING SESSION TURNOUT LIGHT

On October 10, 1970, Chango Lodge held its annual training session. It lasted from 9:00 A. M. to 4:00 P. M. The first series of events were Service Committee by Jeff Joyner. He submitted a big list of service projects. Some of them were to build a diving platform for the camp's waterfront, fix cots, and more picnic tables.

Next was Dancing and Ceremonials with Gary Bradshaw leader of the discussion group. It was decided against to have a dance team for every district and an over-all lodge team. Gary then showed us some of the dancing equipment. The idea of everyone buying a breechcloth and wearing it at all brotherhood and ordeal ceremonies was discussed.

We then had lunch and after lunch we saw three films.

Harvey Darden and Benny Burgess followed up next with communication. Discussed were the following: newspaper, answering letters, and writing letters.

After Communications was Finance. Ray Johnson as chairman talked on the importance of the Finance Committee. Bob Ashley then got up and gave Finance Report.

While at the training session, Bob Ashley and Harvey Darden stated the importance of making out checks.

I also learned that BoBo Beacham is accepting Spring Fellowship patches. Send them to: BoBo Beacham, 555 Ashton Ave., Franklin, Va. 23851.

Please, everyone send in an idea on a patch.

FELLOW ARROW MEN:

As everyone knows, we have decided to have District Organizations in our Lodge. The Districts will be branches of our Lodge. The Vice Chiefs are: John McLemore Eastern; Bob Lankford, Central; and John Whitman, Western.

Their job will be to organize the districts so that they will function more smoothly.

A lot of people still wonder what the purpose of our having District Organizations is. Well let me try to explain -- first, more boys will have an opportunity to serve as leaders and to accept responsibility. Thus we will be able to see just who is capable of handling leadership. Second, a smaller group will be easier to organize with committees -- thus the committees will function more properly and communications will improve. Third, moral and spirit will be enhanced through good organization. Thus larger groups will turn out at our functions.

By operating as district organizations, we will be able to arrange transportation to our functions. This has been a problem in the past.

Think of the above ideas and support your Vice-Chief. Remember, we elected them and it is our obligation to support and help them in every way possible.

Yours in cheerful service,

Bob Ashley,
Netani Mawachpo

There were 16 boys in attendance along with out Lay Advisor, Buck Hurley. We discussed ways in which our District should function. We decided that we should meet at every scout masters roundtable meeting. We also made plans to serve concessions at our Fall Camporee. JOKES

Two blackbirds were out for breakfast after a shower and food seemed to be plentiful. One blackbird said, "I like the girl worms best. They are great!"

"How can you tell which is a girl worm or a boy worm?" asked the other blackbird.

"That is easy," explained the first. "A girl worm is the one with a wiggle."

SOMETHING TO THINK ABOUT

The difference between a successful person and a failure is the fact that a successful man will profit by mistakes and try again in a different way.
