POW WOW '74

In 1970, Chanco Lodge hosted one of the most successful Pow Wows in the 21 year history of Area III-C.

Once more we have a chance to host a Pow Wow, as well as to set the standard for future Section Pow Wows. The 1974 Pow Wow will be the first in our newly formed Section so we have the opportunity to make the first the best.

"We" have the opportunity to make it the best. Pow Wow '74 will be unsuccessful from the start unless "you" will take part in the preparation and execution. Your part will start by attending the upcoming Spring Fellowship and signing up for a committee that will help in the preparation of Pow Wow '74.

So you now know how you can help. If you have been active, stay active; if you haven't been active, support the lodge by rededicating yourself to the principles of service to others.

See "you" at the Spring Fellowship.

SPRING

FELLOWSHIP

April 6, 7, and 8 is the weekend for the upcoming Fellowship at Siouan!

The weekend promises to be different and we hope to get the work needed for the Pow Wow done while having a good time. Bring your patches and bring your money as Chanco will have a patch auction as well as the patch box will be open. The cost for the weekend will be \$4.00. We need a good attendance to do the projects the camp needs. There will be an Ordeal as well as a Brotherhood. BRING YOUR OWN TENT! The entertainment begins Friday night so come early and don't forget to pre-register. It won't be a success unless you attend!

dues

Dues are now \$2.00 plus the \$1.00 penalty. They are due by the Spring Fellowship. You also have to be registered in a unit to be in the Order. Your name will be removed from the mailing list if your dues are not paid. Remember, your unit looks up to you, you are supposed to be the best in your unit. You have their respect, keep it!

SIOWAN

Has your troop signed up for camp yet? Probably not. Only 29 out of 75 troops in the entire council have registered. What's the hold up? If your troop is not going to camp this summer, plan for and encourage a long term camping trip. Fifty-Milers along with Historic Trails are fun and full of adventure. Camp is good experience for younger Scouts and is a lot of fun and advancement opportunity for older Scouts. Don't miss it!

DIST.

MITG.

District Meetings are very important to the organization of the lodge. They handle all lodge business in a manner that eliminates the need for a monthly lodge meeting. Attend these meetings. They are important to the way the lodge functions as a whole. Eastern District meets on the first Monday in every month. Central District will meet the 22nd of March. See you there!

RIDES

I can't go, I haven't got a ride. Sound familiar? Now you do have a ride. Eastern District is leaving from Safeway at 5:00 P.M. Friday afternoon. The cost is \$1.00. This is NOT a transportation fee; this is to help pay for the gas. Central has transportation. For information, attend the district meeting on March 22nd. Western transportation is available through Bob Wrenn. Looking for everyone to be at the Fellowship!

HELP

To help speed up registration procedures, it is necessary to fill out the blue form mailed out earlier and return it to Ben Vincent or have it ready when you get there. We request that you pay your dues in advance. Registration will take some time as we are getting our records accurate so we can conclude our Upward '73 program and deem it a success!
