Wahunsenakah Lodge 333 - From the tiny egg, the mighty mallard grows -
Colonial Virginia Council, BSA.

Camp Bayport hosted the Summer/Fall Ordeal as Wahunsenakah Lodge now has a camp to call home.

On October 27, 2007, the first class of ordeal candidates (27 total) would be arriving at the new camp for the first time, wondering what the camp looked like and what they were about to go through.

Camp Bayport opens the doors for Wahunsenakah Lodge to have its very first ordeal at the camp.

Over 150 brothers arrived on Friday to check-in with Carl Horne and was wondering what they were going to do and be able to see at the new camp.

Each person went to step up their tent in the chapter areas assigned to each chapter.

Once all the tents were in place, everyone went to the Pre-opening Ceremony put on by our outstanding Ceremony Team.

The ceremony was very nice, but did it have to rain so hard, we were like ducks on a pond?

Everyone was soaking wet as the elangomats put the new candidates in the boat house to keep them dry during the northeastern rain storm that we were having on Friday.

SUMMER ORDEAL

As for the members of the lodge, the dinner hall was a nice place to get out of the storm and to enjoy a hot cup of coffee or hot chocolate to warm us up.

We also checked out to see what goodies the trading post had on sell for us to buy.

Candy Bars from the trading post and goodies from the cracker-barrel made the time go by till it was time to run to your tent to try to stay dry.

Some of the lodge was able to get some rest by the rain hitting the top of the tent and some I think tried to count the rain drops all throughout the night.

Nighttime went by fast and the rain was still around for breakfast but it looked as if the rain was clearing up over the banks of the Rappahannock River.

As the lodge was chewing down a wonderful breakfast cooked our very own kitchen crew, not one person missed Papa Smurf pouring coffee or juice for all the lodge members.

I know one thing; no one went to do cheerful service on an empty stomach.

The lodge and candidates worked on projects around the camp to help get things ready on the Cope Course, Making Tent Platforms, Ware House Cleaned-up and Clearing Sites. Boy there is allot of work to be done at camp.

As the time went by, the work was getting done as the candidates and brothers all worked as a team.

Lunchtime and the crews were ready to eat and eat they did.

The kitchen crew had hamburgers and hot dogs with the works plus salad, chips and cookies, ready for us to enjoy, as we rested from our cheerful service from the morning.

Five of our brothers wished to learn more of order and seal their membership into the lodge, so they did the brotherhood evaluation as the group met to talk about the meaning of brotherhood.

Cheerful Service was complete and the lodge was now able to have a little free time before the Brotherhood and Ordeal Ceremonies.

The lodge all met in front on the parking lot, where the flag was taken down for colors and the brotherhood ceremony was about to start.

The fire was burning cheerful on the beach front as our five ordeal brothers enter the ring to learn more about the brotherhood.

The Brotherhood Ceremonies Team did a great job with the Brotherhood Ceremony as they always do. Congratulations to our 5 new brotherhood members.

The Ordeal Ceremonies Team was in place as they waited for the twenty-seven candidates to enter our ring searching for the knowledge of our order.

Congratulations to all our new ordeal members, who were the first class to go thru the ordeal at the Camp Bayport. You will always be listed in our lodge history, as the first ordeal ceremony. After all the ceremonies were done, the entire lodge went to the dinning hall to eat supper that was waiting for us by the kitchen crew.

First thing in the morning on Sunday, the lodge held a New Members Breakfast and Orientation for the new members to better understand what the ordeal was all about and to meet the lodge officers.

Chapel Service followed the breakfast and then onto the Chapter Meetings followed by a short Lodge Business Meeting. At the lodge business meeting, committee chairman's explained there duties for the new brothers and then the chief went onto old and new business for the rest of the lodge. After all the business in hand was taken care of, the floor was turned over to Lodge Adviser Mike Fry, to give his adviser minute. Then we all circled around the dinning hall for the closing of the meeting with our order song.

We all said good-bye to a tried Ranger Joe, as we headed down Route 17 for home.

What Gets You Going?

What do you find so motivating that you'd even ignore a growling stomach for hours just to stay with it? My answer is, just about *anything*! Getting started is the hard part, but once I'm started on something that I find interesting, hyper focus takes over, and time, hunger, thirst, and weariness all cease to exist.

How do we spend that time? I must say that many of us spend that time playing and working on projects that have important meaning. Most of us rarely waste our precious time and energies watching television, playing video games, or yakking on the phone. Isn't our time too precious to waste on such foolishness? We are THRIFTY with our time!

Ralph Waldo Emerson once said, "The purpose of life is not to be happy. It is to be useful, to be honorable, to be compassionate, and to have it make some difference that you have lived and lived well." The founder of the OA, E. Urner Goodman echoed Emerson's sentiment with, "He who serves his fellows, is of all his fellows greatest."

We can rise to great achievement if we simply start with what is important.

While we are young, it seems that we are practicing the behaviors that lead to a life filled with purpose and achievement. I say practice because few of us are able to act perfectly when trying to do good work, even if our intentions are sincere. Most of us will have difficulty finding time to complete everything on our to-do list. But, as described in Big Rocks of Life, we can rise to great achievement if we simply start with what is important.

So when the temptation to play x-box by yourself hits you, think about how you could spend your time working on the important things. Invite your little brother to play, do your homework, finish that merit badge, or call your chapter chief and ask how you can help. Be motivated to do good things and let your stomach growl!

Remember, Albert Pine said, "What we do for ourselves dies with us. What we do for others and the world remains and is immortal."

Yours in Brotherhood,

Norman T. Effinger - Pamunkey Advisor

BOY SCOUTS OF AMERICA

Nottoway Chapter Report

Nottoway Chapter has been in a turmoil for the past couple of weeks with the lost of several close friends and scouts to a auto accident. We lost two great brothers in the lodge as well as two other members from Troop 17 in Franklin Virginia.

John Oliver became a member in May of 06 and Carter Stephenson became a brotherhood member in August of this year. Our circle has broken with the loss of these two, but the circle has became tighter with all those that have showed their support at this somber time. Ben has been very occupied with the funeral services of his fellow troop members. On behalf of Nottoway Chapter and his troop, thank you all for such wonderful deeds of service that have been received. The Nottoway Chapter is working with Troop 209 to have a camporee. In honor and respect of troop 17, the camporee has been postponed until late January 07. Nottoway is handling the campfire building and cleanup for Siouan River District. Troop elections will start back up in January 07. So I ask all the units to start planning a date that you want your chapter Nottoway in the Siouan River District to come to your unit for Unit Elections into the Order of the Arrow.

We have designed a cap in memory of Carter and John. All proceeds will go to troop 17 to be distributed amongst the families of our lost scouts and scouter.

We will be asking the lodge for approval at the next LEC Meeting.

Also, the Colonial Virginia Council, BSA, has established a fund to support the families of Troop 17 (Franklin). Individuals interested in donating to the fund may do so by sending your donation to Colonial Virginia Council, Boy Scouts of America ATTN: TROOP 17 FUND, 11721 Jefferson Avenue Newport News, Virginia 23606.

I would like to thank the support from Wahunsenakah Lodge 333 and Colonial Virginia Council as well as troops through out the state of Virginia and North Carolina.

This is over whelming to see the support of the scouts and scouters from all over.

The families and troop 17 thanks all of you for your support.

Now I will end this report by reporting that three of the 17 Vigil Honor New Members were from Nottoway Chapter. We would like to congratulate newest Vigil Honor members, Ryan Vann, Bill Scarborough and Rush Lifsey.

Hope to see all of the chapter out at the Siouan River Camporee the weekend of Jan. 19 thru 21st.

Have a Happy New Year Nottoway Chapter and Wahunsenakah Lodge.

Chuck Lifsey

Nottoway Chapter Adviser

OA Troop Representative Job Description:

An Order of the Arrow Troop Representative is a youth liaison serving between the local OA lodge or chapter and his troop. In his troop, he serves as a communication and programmatic link to the Arrowman and adult leaders and Scouts who are not presently members of the Order. He does this in a fashion that strengthens the mission of the lodge and purpose of the Order. By setting a good example, he enhances the image of the Order as a service arm to his troop.

Kiskiack Chapter

The Fall Ordeal was a great success for the Kiskiack Chapter. We had 8 new Ordeal members and one brotherhood member. Congratulations to all of them and we look forward to seeing each of you at our chapter meetings and lodge events.

We are planning our One Day of service and we should finish up the details soon.

Our Ceremonies Team performed a great callout ceremony at the James River District Fall Camporee. We called out 5 candidates and had a lot of fun doing it. We could always use a few new recruits on the ceremonies team or chapter committees.

Troop 11, has two youth slots available for any youth that would like to go to Philmont Scout Reservation. For more information please contact Don Hastings at scoutmaster@troop11bsa.org, or take a look at the troop 11 web site for information, on OA events and district.

Don't forget our monthly Chapter Meetings. Our chapter meets on the third Thursday at 6:30P.M., at the on Turlington Road off of Deep Creek Road in Newport News.

Our chapter meetings attendance is constantly on the rise but we still need more chapter members to attend and join in on the fun. Remember Units, we meet just before the Round Table Meeting that you should be at to pick up your units information from the James River District Committee.

Visit our Web Site Kiskiack Chapter Home Page

Make a resolution to join us at the chapter meeting and lodge events.

Also, if you have not gotten your 3" Pocket Chapter Patch, see sell personnel of Tim Ewing, Dick Barnes or Loren Zehr. Tim reported that the chapter only has about 80 more

Nottoway Chapter

Nottoway Chapter Meetings are on each 3rd Sunday at 4:00PM at the Troop 17 Scout shack for the time being. Come on out and be a part of the chapter if you are in the Siouan River District. If you need a Unit Elections, let me know and will can set one up for you.

Wicomico Chapter

"It's time once again for Wicomico Chapter members to volunteer to direct traffic and park cars for the Scout Sunday Sunrise Service at the Yorktown Monument. Our January meeting will be devoted to this issue. Remember: We now meet on the FIRST Thursday of each month at 7:00 pm at Yorkinster Presbyterian Church. Come join us and then stay for the Boy Scout Roundtable!"

Unit Elections are starting up again for the New Year, so Units start thinking about when you want the chapter to visit your unit for unit elections into the Order of the Arrow.

Frank Baxter Chapter Chief of Wicomico

Rob Kutz Chapter Adviser of Wicomico

Pamunkey Chapter

Pamunkey Chapter would like to sincerely thank everyone who helped out at the 2006 Winter Banquet.

On the horizon, the Chapter is responsible for organizing and running the Fall Fellowship. That means we need to develop training seminars, provide individual games, procure sports equipment, and develop rules for competitive events. We also want to compete and win. Our goal is to have 50% attendance by our chapter's youth - some will be staff and some will compete on "Team Pamunkey". Everyone is welcome to provide their opinions and ideas about what events to have.

Also, due to the accelerated schedule this year, we will be having our Lodge and Chapter officer elections on April 13-15 at the Spring Ordeal. This is an important event and every Arrowman that's not already committed to a Troop activity should attend. I want each youth member to consider running for an office. To prepare, each Arrowman wanting to run for office should attend the Lodge Leadership Development Conference on March 9-10. Although attendance is not a requirement for office, you will benefit as a leader from the training you will receive. So, reserve those dates on your calendar.

Be sure to visit the Chapter website for the latest information about upcoming lodge events and programs. www.pamunkey333.org

Piankatank Chapter

This has been a busy time of year for the Piankatank Chapter. We are in the planning stages for our annual Call Out Ceremony scheduled for January 26-28, 2007 at Chickahominy River Front Park. Information packets for this event have been sent to all troops and were also passed out at the December First Colony Round Table Meeting.

We are also putting together our Election Teams for this year's unit OA Elections. All of the troops in our district have been contacted and their elections scheduled. If you are interested in helping with any of these events, please try and attend our monthly chapter meetings. Our Chapter Meets on the second Thursday of each month at Williamsburg United Methodist Church at 7:00P.M.

We had a chapter service day on November 11th, where our chapter helped with repairing a trail and bridge that was damaged by Tropical Storm Ernesto. Thanks to all the chapter members that helped with our One Day of Service to the Community Project.

I also would like to welcome our chapter newest members to the lodge and chapter. Congratulations and Welcome to Richard Ball T-155, Ross Niewola T-103, Rick Niewola T-103 and Eric Carlson T-135.

See you at the next chapter meeting and hope you plan on being at the Winter Ordeal.

Robert Boag - Chapter Chief of Piankatank
Lee Martin - Chapter Adviser of Piankatank

Lodge Recognizes Janice Writtenberry for Outstanding Service

At the Holiday Banquet, the Lodge presented a plaque for outstanding service to the Lodge to Janice Writtenberry. Though not a member of the Lodge, she has stepped up to help the Kitchen Committee plan new and varied menus and has taken on the added responsibilities of placing our orders with the distributor. This has been a tremendous help to the Lodge and we wanted to provide recognition to this good friend.

ARROWCORPS⁵ *A HIGHER ADVENTURE*

The Order of the Arrow has had a long-standing interest in coordinating a national service project, utilizing the infrastructure and leadership established over many years of success at the Boy Scouts of America's high adventure bases. Working closely together, the United States Forest Service and the OA have chosen five project sites, spread across America, that will be the focus of our combined efforts. ArrowCorps5 (pronounced Arrow Corps Five) will provide a once-in-a-lifetime opportunity for each participant to set an example of leadership in service to those who treasure our national forests.

Five thousand physically fit and able volunteers (determined by the "Philmont Weight Limits for Backpacking & Hiking"), made up of youth and adults, will participate. The national Order of the Arrow committee and key sponsors will fund the projects. Participants will pay a reasonable fee to help pay for accommodations, meals, and a full day of recreational activities during the projects.

Additional information will be available through the National Bulletin and National Order of the Arrow Web Site in the future. Mark Twain National Forest will be the first of the five sites to be featured starting in the fourth quarter of 2006 with the other four sites following in 2007. All locations and dates appear below.

2006 Annual Holiday Banquet

The Annual Holiday Banquet hosted by Pamunkey chapter had over two hundred people attend this year.

With the food tied-up in the Hampton Roads Tunnel, the banquet started off by our Guest Speaker Mr. Dan Smith, Superintendent of the Colonial National Historical Park. He spoke on being a scout and what scouting means to him. As a former lodge chief, he also talked about how important it is to do service for mankind and what it means to help out.

Dan spoke till the food showed up at the door, hot and ready to be served to the lodge and families. After eating, Chief C.J. Holmes and Lodge Adviser Mike Fry went into the Recognition of the Silver Duck Awards, Founder's Award and Vigil Honor Callout.

All the names are in this newsletter and we would like to say Congratulations to all who got awards or the Vigil Honor at the banquet.

Mike gave a Lodge Adviser Minute and a review of what the lodge did in 2006.

Banquet was a big success and Pamunkey Chapter should be proud of how it turned out, even with the food being late showing up.

The newsletter team would like to thank Mike Fry for proving us with all the news, awards and background of all our New 2006 Vigil Honor Members.

NOAC 2006 Recognitions

The National Order of the Arrow Conference is the second largest event in scouting, after the Jamboree. Normally held every two years at a major university, the event provides opportunities for training, competitions and fellowship.

This summer, 38 members of the lodge made up our contingent to attend the conference that was held at Michigan State University. 5 other lodge members served on staff. This was the largest conference in history with nearly 8000 participants.

Wahunsenakah Lodge was one of the 18 lodges out of the 301 attending that were recognized with the Spirit Award. This was a great testament to the youth and adults attending.

With everyone, it is a fairly substantial commitment of time and expenses to attend an event like this. And, as with all scouting, it is the commitment of the adult leaders that assist the youth through time off from their job to help provide the guidance and facilitate getting the group there and back. As you can imagine, getting 38 people half way across the country and back is not an easy task.

At the banquet, Mr. Fry and Mr. Updike presented certificates to the adult leaders that provided the support, guidance, and assistance to making NOAC 2006 a success for our Lodge.

Lodge Members Meet the 41st President

Four Lodge Members of Wahunsenakah Lodge 333, (Eric Johnson, Carlon Lewis, Hugh C. Ewing and Tim Ewing) got to meet and shake hands with the 41st President of the United States George H.W. Bush, his wife Barbara Bush and his daughter Dorothy Bush Koch at the Christening Ceremony of the U.S.S. George H.W. Bush CVN-77 at Northrop Grumman Newport News Shipyard on the 7th of October 2006. What an honor these brothers of our lodge had.

2006 Founder's Award

The Founder's Award was created to honor and recognize those Arrowmen who have given outstanding service to the Lodge. The award is reserved for those Arrowmen who memorialize in their everyday life, the spirit of achievement as described by E. Umer Goodman and Carroll A. Edson. The Lodge is permitted to award two each year with no more than one to be given to an adult member. The recognition consists of a certificate, a bronze medallion that can be displayed on a desk, and a arrow ribbon with red ribbon suspending a gold arrow.

This is really one of the most difficult decisions that we must make each year. We accept and review the nominations submitted and make final choices. It is especially difficult because there are many deserving people in service to the Lodge and our order.

Our youth honoree this year has worked with the order at all levels since his induction in the order. He has participated actively in the Elangomat Committee, Chapter and Lodge Offices. He served on the Order of the Arrow Service Corps at the 2005 Jamboree and is the current SR 7A Section Chief, leading the combined 6 Lodges in the state. Chris Bergholdt, is our 2006 youth honoree.

The adult honoree seems to have been around forever. There are few that work any harder than this individual and give more of himself for the Lodge. He has served as an Associate Adviser, Chapter Adviser, attended several Conclaves and NOAC 2004. He currently is an Adviser with the Kitchen Committee. Mike Allen is the 2006 adult Founder's Award recipient.

The Silver Duck

In 1999 the lodge introduced a new 'local' recognition available for no more than two voting members per year. The recognition is limited to a youth member who through unselfish leadership has made a difference in the members of their chapter or the Lodge. In addition to a certificate of recognition, a donation to the councils endowment is made in thier names and they receive additional recognition from the council at the Annual Council Banquet.

Silver Duck

Each year we present the Silver Duck Award to a youth from the Lodge that exemplifies a commitment to service to the lodge and to scouting overall. With this recognition is a donation in the Brother's name to the James E. West Endowment Fund.

This year's recipient of the Silver Duck has worked in many scouting positions over the last several years. This year alone, he participated in conclave American Indian Affairs competitions. He attended NOAC where he also competed in American Indian Affairs. Even more importantly to the lodge, he served as conference chief to NOAC and is the past lodge treasurer and current first vice chief of the lodge.

Please congratulate Patrick McClave as the 2006 Silver Duck Award recipient.

Retiring Advisers

Many do not know the commitment that it takes to be an adviser in the Order. Committee advisers must have a commitment to attend events and help to ensure the success of their youth chairman. Some jobs require more facilitation than others. A few weeks ago, two of our key advisers decided to step down from their positions. They are not going away but just stepping back a bit. Their replacement will have big shoes to fill.

Robert and Mary Boothe have decided that it time to move on. Robert and Mary have served as our trading post advisers for many years. When I said facilitation earlier, it is a good thing they have a cargo van because they not only advise the trading post chair, they also carry the trading post with them. We are sad to see them step down but we wish them well and look forward to seeing them at Bay Port in the spring.

Adviser's Minute

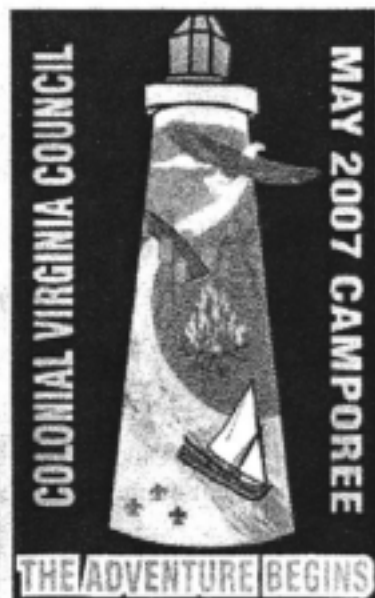

For those that actually read my adviser's minutes from time to time, I have a common theme of challenges. The last two years have been rather challenging as we have been without a camp to call home. But you have stepped up and met the challenges. If you read our 2006 summary report, you can see we have had a very good year. Our lodge has again petitioned for Quality Lodge status. Our lodge family has experienced the highs of success and the depths of terrible tragedy over the past year. And we continue to move forward.

My challenge to you this year is to keep doing what you have been doing. Our continued success depends upon the commitment each of you makes to the lodge and scouting. Let's keep doing what we have been, step up to help get Bay Port ready for the summer, and we again have a great year. Thanks for all that you do for the Lodge and Scouting.

2006 Wahunsenakah Leadership In Service Award Application

LEADERSHIP IN SERVICE

The 2003-2007 OA Strategic Plan states that "the heart of the Order of the Arrow is its heritage of service." With the Leadership in Service Program, the OA strives to strengthen Scouting's foundation of service by further fostering in Arrowmen the ethic of servant leadership. By promoting and rewarding service that benefits the Boy Scouts of America's outdoor program and the communities in which Scouts reside, the Order will be acting to support the Scouting program at the most important levels.

The timeline for the Leadership in Service Award is a graduated system that encourages Arrowmen to continue their service from year to year. Requirements for the award can be met during the calendar years of 2005, 2006, and 2007. Service from a previous year cannot be carried over to meet the next year's requirements (Arrowmen of all ages may earn the first year award in 2005, 2006, or 2007, the second year award in 2006 or 2007, and the third year award in 2007 only).

Requirements:

- Eight hours of service to camp and Six hours of service to the community through a Lodge OR Chapter Service Project**
 - Service performed at the Winter Ordeal, Spring Ordeal and October Ordeal will apply to Camp Service
- Each individual petitioning for the 2006 Second Year Award must have earned the First Year Award in 2005**
- All service must be completed by December 31, 2006**
- You may only apply for one award – Either First Year or Second Year**
- Submit payment of \$5.00 for First Year Award Ribbon OR \$2.00 for Second Year Award Pin**
- Deadline for submittal of the application and fee is February 10, 2007**
